

# Naveen Kumar Tiwari

## Pursuing Bachelor's (CSE)

I am a self motivated person with passion for problem solving, I thrive on exploring cutting - edge technologies and approaching challenges with creativity and innovation. With a growth mindset and collaborative spirit, I continuously seek opportunities to expand my skills and value diverse perspectives. Looking forward to leveraging my skills and knowledge to make a meaningful impact in the field of computer science. Also, I believe in manifesting in hard work as it beats talent.
